Rev 112-20—1

Sir,

I have the honor to state that the levy of fees in the weekly market in the Challakere municipality was first sanctioned by Government in the year 1909-10 and since then it is being continued, sanction of Government being renewed at the end of every third year. The term of 3 years for which the levy of market fees was last sanctioned by Government in their order No 3650-1/M1 141-17-4 dated the 25th May 1918 expires with the current official year. Whether the levy of such fees should continue or cease was discussed by the municipal council in their meeting held on 8th November 1920. Copy of their resolution is herein enclosed for favor of perusal. The council are of opinion that the levy of the market fees should be made permanent in as much as it has become a substantial source of income of about Rs 4000 a year which the municipality is not prepared to forego. This shandy is the biggest in the District and is gaining in importance year by year. It is therefore very necessary to afford better convenience to the people who resort to the santhe by effecting needful improvements to the existing santhe stalls by running up more stalls, by sinking drinking water wells in the shandy premises, by constructing suitable buildings and by planting shady trees &c at a heavy cost. The income derived from other sources hardly suffices for ordinary sanitary improvements within the town area for street lighting and for conservancy and establishment charges. It seems quite necessary that the levy of market fees in question

Reply to query on bye law (1) The fee is a market fee as the bye laws relate said fee - though the Courts is to be held within the usual limits under the Control of the Municipal Cl, said Council has not fixed a different place for the purpose & as such, it would be better to add other bye law altogether

Reply to query on bye law (9) etc then bye law does serve as a copy of the Tehsildar's, same may be substituted for bye law (9) with slight modifications as noted in in Redraft Copy
